

Teach Grow Love

Rooted in equity. Leading with care.

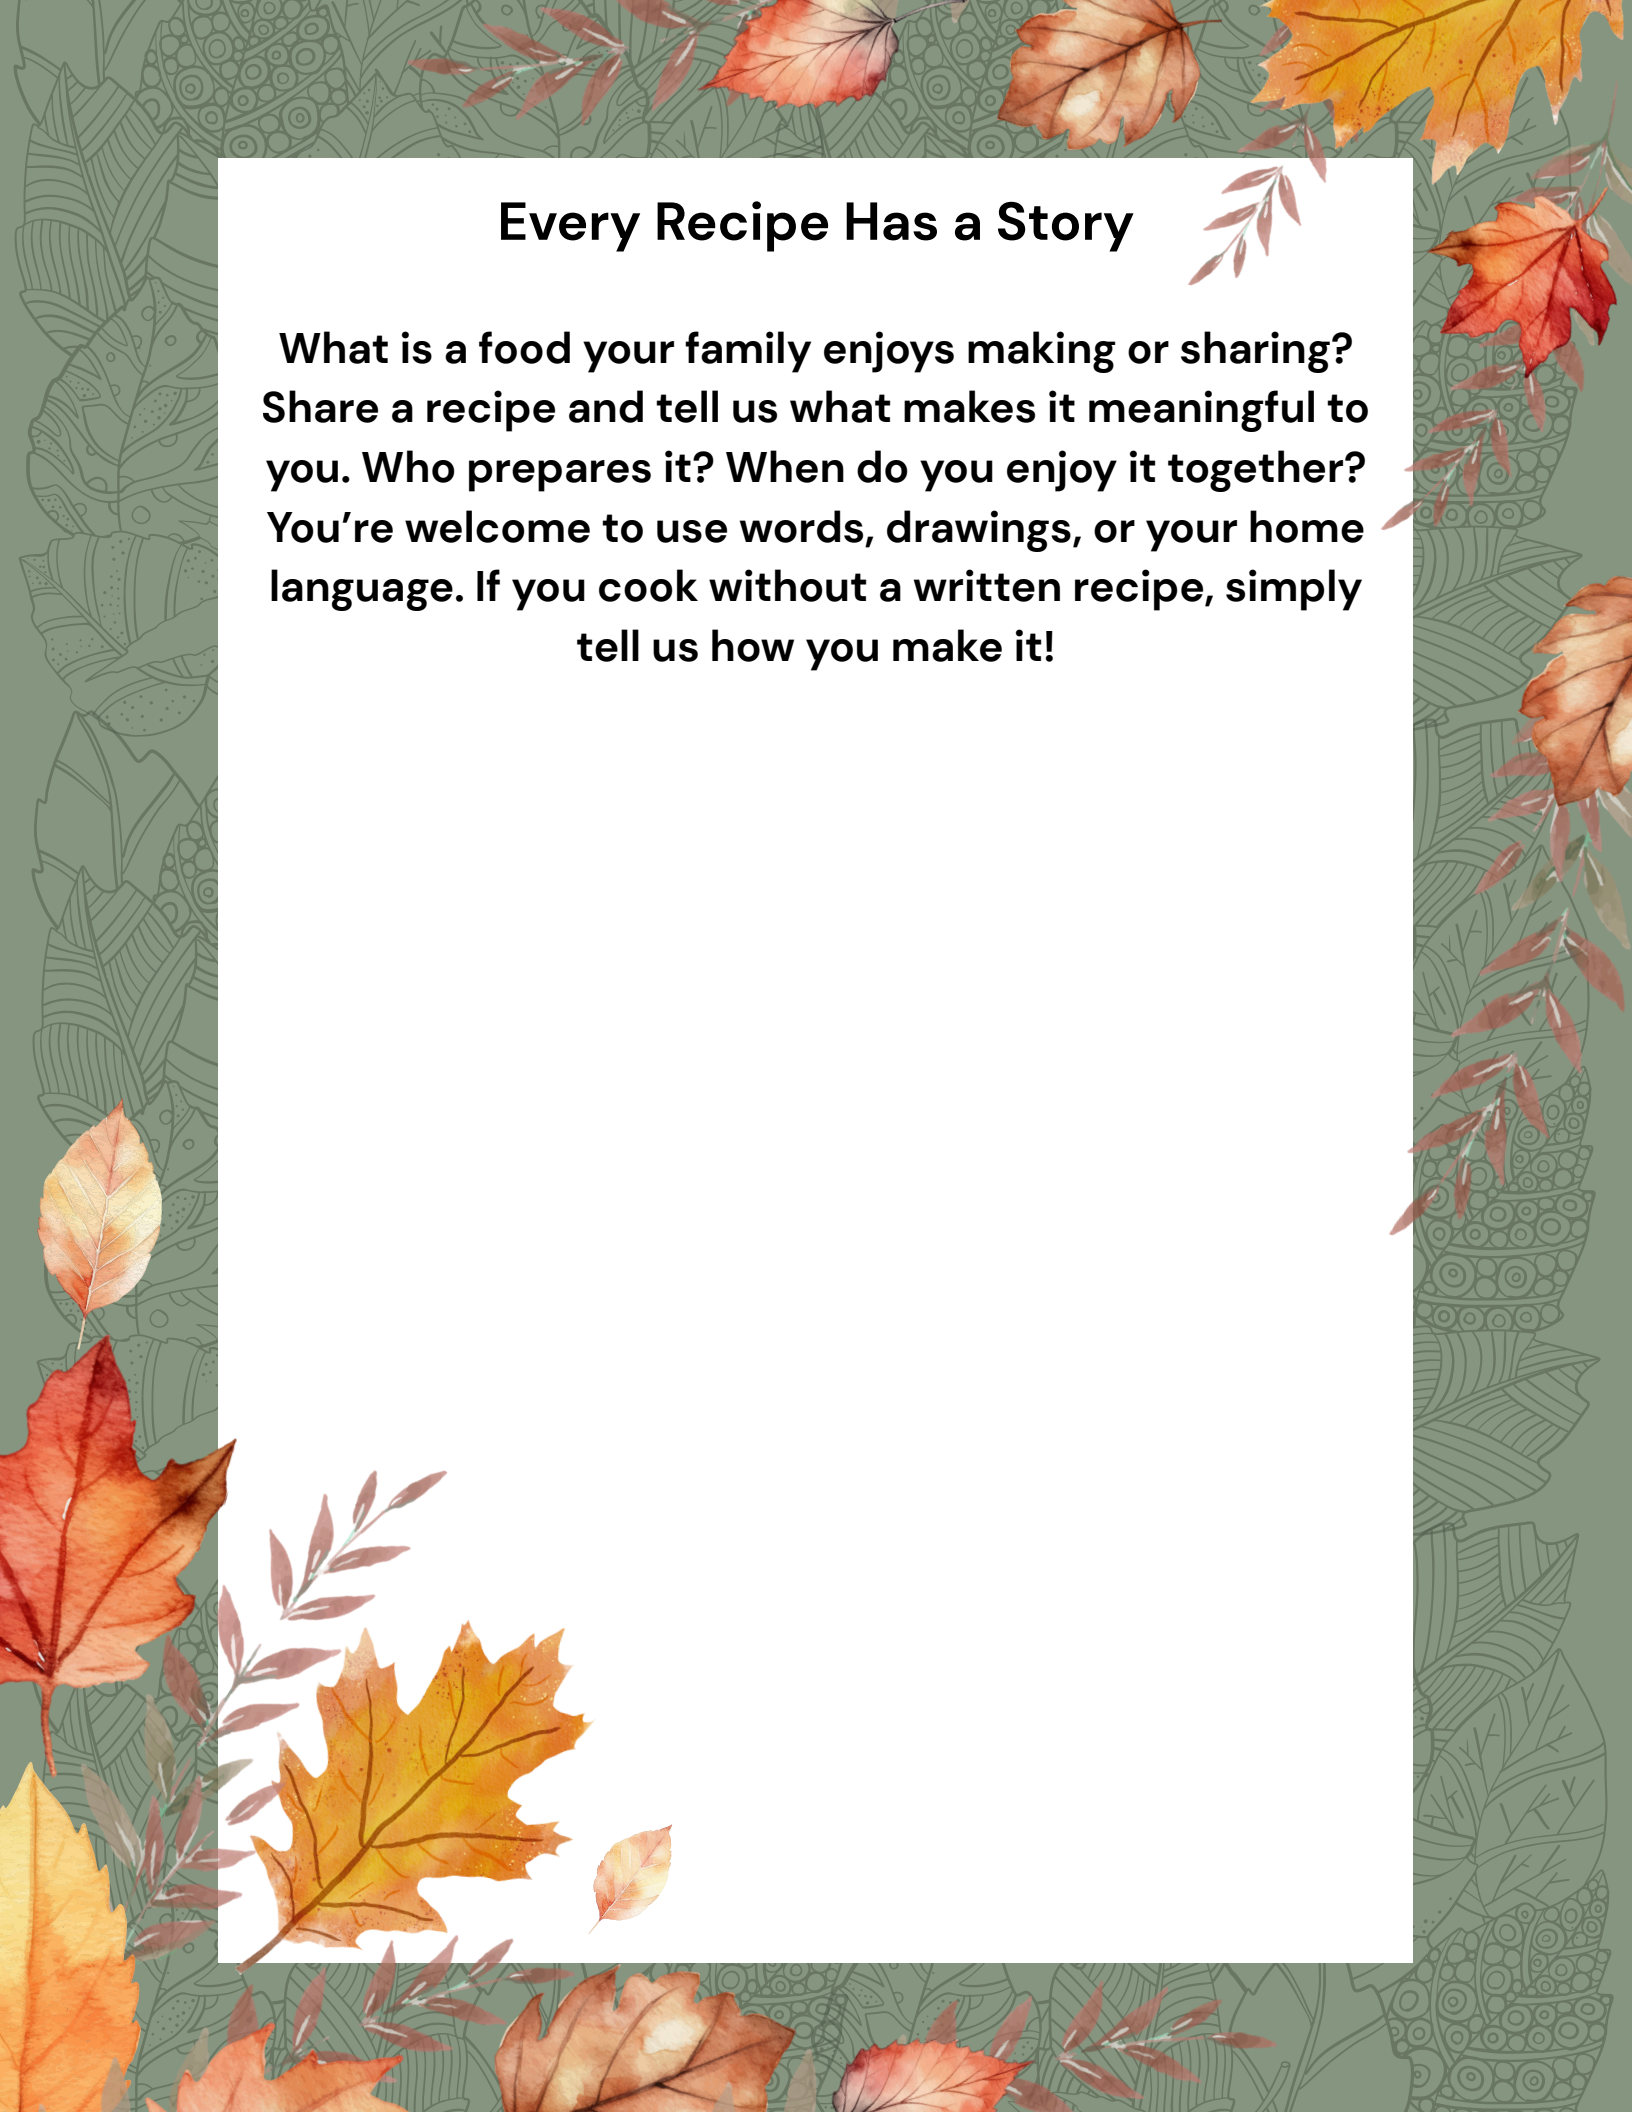

NEWCOMER FAMILY ENGAGEMENT

October Activities

This resource includes a recipe card and an invitation for families to share a favourite recipe through words, drawings, or their home languages. Create a class recipe book to read together, or add the cards to your dramatic play centre for children to explore through play. Enjoy!

The page is framed by a decorative border of autumn leaves and foliage. The leaves are in various shades of orange, red, and yellow, some with detailed vein patterns. The background behind the leaves is a muted green with a subtle, repeating pattern of leaves and berries.

Every Recipe Has a Story

What is a food your family enjoys making or sharing? Share a recipe and tell us what makes it meaningful to you. Who prepares it? When do you enjoy it together? You're welcome to use words, drawings, or your home language. If you cook without a written recipe, simply tell us how you make it!
